**65 is the minimum passing grade.**

A student who withdraws failing from a specific course will have this grade appear as a "0" on his/her cumulative record. The grade is also a factor in calculating a student's G.P.A.

Marking period grades will be determined by the following percentages:

**70% - Performance Assessments** – Tests, quizzes, and skill-based performance measures

**20% - Formative Assessments** – Classwork, in-class assignments, class participation, and other in-class measures

**Not more than 10% - Homework**

For classes where Homework will count less than 10%, the remaining percentage will be added to Performance Assessments.

## Student Academic Progress

Student grades, assignments and other information are available through PARENT PORTAL online. Information regarding access of PARENT PORTAL is posted on the High School website.

**Teachers will also contact parents regarding student progress when they feel a significant change in student performance (positive or negative) has occurred.**

Parents are encouraged to contact their child's teacher(s) when they are concerned with their child's progress in a course.

### Grade Point Average (proposed)

Grade point average (G.P.A.) is cumulative and is computed at the end of each marking period. Grade point averages are calculated on a weighted 4.0 scale according to the following table:

Letter Grade:	Numeric Range:	College Prep level Academic level Unleveled courses	Honors level Language IV and V ATP Seminar PLTW courses Early College Academy Cecil College Courses in Freshman Year	AP level Dual Enrollment College courses (except those listed in previous column)

**Grade Point Average is calculated using the following steps:**

1. Each grade is assigned a numeric value according to the table on the previous page.
2. Multiply the GPA value for each course by the credit value of that course to obtain the quality points.
3. Total the credit value for all the courses and total the quality points for all the courses.
4. Divide the total quality points by the total credits to arrive at the grade point average.

PowerSchool calculates GPA automatically at the conclusion of each marking period.

**Class Rank (proposed)**

Class Rank is determined by using cumulative GPA. As new GPA and grading scales are implemented in the 2014-2015 school year, class rank will be determined as follows:

**12<sup>th</sup> Grade** – GPA for 9<sup>th</sup>, 10<sup>th</sup>, 11<sup>th</sup> grade will be calculated using the weighted GPA formula in place during the 2013-2014 school year. GPA for 12<sup>th</sup> grade will be calculated using the new formula. Overall GPA will combine the two GPAs calculations.

**11<sup>th</sup> Grade** – GPA for 9<sup>th</sup> and 10<sup>th</sup> grade will be calculated using the weighted GPA formula in place during the 2013-2014 school year. GPA for 11<sup>th</sup> grade will be calculated using the new formula. Overall GPA will combine the two GPAs calculations.

**10<sup>th</sup> Grade** – GPA for 9<sup>th</sup> grade will be calculated using the weighted GPA formula in place during the 2013-2014 school year. GPA for 10<sup>th</sup> grade will be calculated using the new formula. Overall GPA will combine the two GPAs calculations.

**9<sup>th</sup> Grade** – GPA will be calculated using the new formula.

**Honor Roll (proposed)**

Honor rolls are published to recognize outstanding academic performance. Students will be recognized for their achievement at the end of each marking period as follows:

<b>Distinguished Honor Roll</b>	GPA of 4.0 or higher with no grades below a B- or 80%
<b>High Honor Roll</b>	GPA of 3.6 to 3.99 with no grades below a B- or 80%
<b>Honor Roll</b>	GPA of 3.0 to 3.59 with no grades below a C- or 70%

Placement on the honor roll is based on the marking period grade point average, according to the table above.

Students must be scheduled for at least three (3) credits per semester in order to be eligible.

**Total quality points for all subjects / Number of credits scheduled = Marking Period G.P.A.**

**Scholarships and Awards**

Numerous scholarship and award opportunities become available to students throughout the year. The types of awards and deadlines vary greatly. A “*Scholarship Update*” is updated on the school website and lists the available scholarships, applicable deadlines, and eligibility criteria. The “*Scholarship Update*” is posted on the school website at <http://oahsguidance.wikispaces.com/Scholarships> Students should also pursue other opportunities in addition to those that come through the Guidance Office (on-line resources, parents’ employers, instructional specific aid, etc.) It is the student’s responsibility to review the opportunities and determine which scholarships he/she is eligible to receive.

**Transcripts**

Students needing to obtain an official transcript must complete a transcript release form. This form is available on the school website and in the Guidance Office. Please allow at least 2 weeks for processing. If a transcript is to be mailed, the student should allow additional time for mailing.

### **Working Papers**

Students under the age of 18 who need working papers (Employment Certificates) in order to gain employment may obtain them from the Principal's secretary. The student must have the promise of a job in the state of PA before the application for working papers will be issued. Students/parents desiring to obtain working papers should contact the principal's secretary to schedule an appointment. Students wishing to obtain working papers for a job outside of PA must contact that state's labor department.

### **Student Records**

The Family Educational Rights and Privacy Act of 1974 provides parents or students who have reached the age of 18 the right to inspect personally identifiable information about a student obtained by the school district; challenge information in the record which a parent considers inappropriate or inaccurate or misleading or which violates the privacy or other rights of the student; precludes the release of records absent written consent of the parents with certain exceptions concerning directory information which is noted below; to file with the U.S. Department of Education a complaint under Section 34 CFR Section 99.64 concerning alleged failures by the institution to comply with the requirements of the Act. The school district's policy concerning parents' and students' rights under this law is available at the Administration Building, 125 Bell Tower Lane, Oxford, PA 19363.

In addition to the above rights, FERPA provides that the school district may release certain information without the parent's written consent, unless a parent gives written notification to the school district not to release such information. The Oxford Area School District Board of Directors has determined that the following information is directory information:

**Name; school clubs and activities; sports; weight and height of athletic team members; graduation date; awards received.**

For example, a newspaper could seek the above-listed directory information on all students. Those students whose parents have issued a written objection to the release of directory information would not have the information above released. Those students whose parents have not signed such a written objection would have information listed above released to the public. Accordingly, if parents do not wish their child's directory information released as a part of the school district's public record, the parents must contact the building principal and give written notice of their objection to the release of directory information about their child. Postsecondary institutions and military recruiters shall have access to secondary students' names, addresses and telephone numbers, unless the student or parent requests that such information not be released without prior written parental consent.

### **Special Education**

The Oxford Area School District offers a wide variety of programs for students who require special services. Our district meets the special needs of eligible children and youth with disabilities through a comprehensive multi-disciplinary evaluation, specially designed instruction, and related services. These programs and services are instrumental in helping children and youth with disabilities develop, learn, and succeed in school and other settings. Our programs and services are provided through the school system. Any questions regarding special education should be directed to the high school administrators or guidance counselors.

### **Health Services**

Health room staff will be comprised of a registered nurse and a health room assistant.

All students must have a current Emergency Form/Health Update, signed by a parent or guardian, on file in the health room, in order to be treated by the nurse or assistant, except in the case of an emergency. Please reference OASD Policy 5600 at: <http://www.oxford.k12.pa.us/board/policies/index.html>

### Medications

No student may carry or give medications to another student. Violators are subject to OASD Policy 5430. Exceptions are made for emergency medication which requires the completion of the Self-Carry/Administration form and building administrator permission. Prescription and non-prescription medications require a written request from parent/guardian **and** health care provider. Additional information is in OASD Policy 5610 at: <http://www.oxford.k12.pa.us/board/policies/index.html>. All forms are available on the High School web site, Health Room link.

### Immunization

All students attending OASD must adhere to immunization regulations established by the PA Department of Health. A student may be declined entrance into school until proof of immunization is presented. New students may be allowed to enroll on a provisional basis if they have at least one dosage of each required immunization. Requests for religious or medical exemption must be presented to the school nurse in writing.

### Health Screenings

The Pennsylvania Public School Code requires certain school health services for all children of school age, regardless of the school setting.

### Height, Weight, and BMI

*28 PA Code, Chapter 23.7* – School Health Regulations of the Pennsylvania Department of Health implement the Public School Code. These regulations require **annual** height and weight measurements and that effort be made to determine the growth pattern of each child.

### Vision Screening

*28 PA Code, Chapter 23.4* – Vision screening tests shall be conducted **annually** by a nurse, teacher, or medical technician.

### Hearing Screening

*28 PA Code, Chapter 23.5(d)* – **Each year**, pupils in kindergarten, special ungraded classes, and grades one, two, three, seven, and **eleven** shall be given a hearing screening test.

**Requests for exemption must be presented to the school nurse in writing every year.**

### Cafeteria

Students are expected to:

- Report to the cafeteria promptly at the beginning of their lunch period.
- Be considerate of others and practice good eating manners. Students are responsible for the cleanliness and order of the area in which they are eating.
- Cooperate with the cafeteria supervisors.
- Be able to select their own seat in the cafeteria, unless otherwise assigned by an administrator.
- Remain in the cafeteria until the lunch period ends. Students may leave the cafeteria only to use the restrooms adjacent to the cafeteria.
- Obtain written permission from a teacher or administrator prior to arrival in the cafeteria if they need to leave before the end of the lunch period. Students must show signed agenda book to a faculty monitor before leaving.
- To be responsible for bringing up their trays, depositing their trash, and leaving their table ready for others to use.

Students may not:

- **Take food and/or beverages from the cafeteria or consume them in the halls, courtyard or classrooms.**
- Order food and have it delivered from outside businesses during the school day.

Breakfast is offered students from 7:00 to 7:30 am in the school cafeteria. Students are expected to follow correct cafeteria procedures.

Free or reduced breakfast and lunch are available upon submission of the appropriate paperwork. Contact the Guidance Office at 610-932-6646 to obtain the necessary forms.

### **Halls**

Students are not permitted in the halls during class or lunch for any reason unless they have a signed agenda book. Students are given four or five minutes between classes to get to their next class or lunch period. Students are expected to get to their destination within the allotted time. While in the halls, students are to walk to the right of the corridor in a quiet and orderly manner.

### **Library**

Classes visit the library to take part in information literacy and inquiry-based activities such as book selection, research projects, and use of technology equipment. With teacher permission, a signed agenda, and a clear goal in mind, students may also visit the library independently. Upon entrance, students must sign in and present a library staff member with their completed agenda. Agendas are valid for the assigned period only. Students must report to their next class when the bell rings or sign out if they need to return to class before the end of the period. Students who want to visit the library before the school day begins or during their lunch period should obtain a signed agenda from a library staff member. Abuse of library policies may result in suspension of independent library usage privileges.

The library has a wide array of fiction, nonfiction and reference books in print and more than thirty periodical subscriptions and newspapers. Videos, audio books, eReaders, and eBooks are also available for loan. Reference eBooks and subscription databases are accessible from the library website from school directly and from home with a password. Students have access to twenty-five computers on the library floor, a collection of iPads for in-library use, printing, scanning, and the library classroom computer lab. All library technology services are subject to the OAHs Acceptable Use Policy.

The loan period for fiction, nonfiction, audio books and eReaders is three weeks. DVDs circulate for one week and reference books are available for overnight loan. Magazines and newspapers are for library use only. Lost or damaged materials must be replaced by the borrower.

**IF A LOST MATERIAL IS RECOVERED, THE BORROWER WILL RECEIVE A REFUND. STUDENTS WHO ARE HABITUALLY DELINQUENT WITH MATERIALS MAY HAVE THEIR BORROWING PRIVILEGES SUSPENDED UNTIL OBLIGATIONS HAVE BEEN MET.**

### **Lost and Found**

Any item found, such as jewelry, glasses and clothing must be turned in at the office. Students are requested to check the office to claim any item they may have lost. Periodically, items turned in are donated to charity.

### **Student Assistance Program**

The Student Assistance Program (SAP) consists of faculty and staff trained to identify issues that may pose a barrier to a student's academic success. Concerns related to health, attendance, mental health, academics and substance abuse are addressed in a confidential manner. A student may go to any team member for help with concerns about him/herself, a family member or a friend.

### **Student Parking**

Students in grades 10, 11 and 12, who are of a legal driving age, may apply for a parking tag, with priority be given to upper classmen. Students must complete a parking application and present proof of vehicle ownership, proof of insurance, and a valid Pennsylvania driver's license to be issued a parking tag.

A parking fee of **\$50** per school year must be paid at the time of completing your application and presenting required documentation.

A designated parking spot will be assigned and communicated to the student driver when he/she is issued a parking tag. Once a parking tag is issued, it must be displayed on the inside driver's window or visor. Students are not permitted in the parking lot during the day, unless given permission by the administrative office. **Students may not transport other students to or from school without written permission from the parent of the driver and the rider.** These forms will be kept on file in the main office.

**Driving to school and using student parking is a privilege and a convenience to the student.** Students who commit driving or parking violations, are excessively late or absent due to their driving privilege, and/or commit multiple disciplinary offenses may have their driving and parking privilege suspended. Continual violations may result in having a student's driving and parking privilege revoked and could result in the automobile being towed at the owner's expense. Students who have their driving and parking privilege suspended or revoked and will be required to utilize other means to arrive at school, including riding the bus if students are eligible. Students who have outstanding school obligations or who do not provide proof of vehicle ownership, insurance, and/or Pennsylvania driver's license will be denied a parking tag.

### **Oxford Renaissance Program**

The Renaissance program is an educational enrichment program used to encourage, motivate, and reward students to improve or maintain: attendance, academics, school spirit and pride, and appropriate behavior. Students may earn a Renaissance card at the conclusion of each marking period based on grades, attendance, and discipline. There are four levels of Renaissance rewards. Each Renaissance card allows the student card holder to be eligible for rewards, discounts and privileges throughout the marking period. The higher the level, the more rewards a student can redeem. These include discounts at local businesses, attending school events, and being exempt from financial cost to attend designated athletic and school event.

## STUDENT ACTIVITIES

### Absences and Student Activities

Students must be in school on the day of an activity or they will not be able to attend. This includes, but is not limited to: dances, band concerts, plays, talent shows, sporting events, and extra-curricular activities. Students must attend school on the Friday before the event if the event is held on a weekend. Students must arrive by 10:50 am to be counted present on that day. It is expected that students will be in attendance on the next school day to follow the activity or sporting event.

After school activities are an extension of the regular school day. School rules apply at these activities. Students must have prior permission to stay after school on that day. Detentions may not be postponed due to extra-curricular activities without the prior approval of an administrator or person assigning the detention.

All OAHS students that participate in student activities should receive a contract at the start of the activity. The contract details student and teacher/coach/director's responsibilities and expectations. Students participating in extracurricular activities are subject to the rules and regulations in effect during normal school hours. **All policies regarding conduct and behavior will be strictly enforced during and after school.**

### Dances and School Functions

Students attending dances and school functions are subject to the rules and regulations in effect during normal school hours. All policies regarding conduct and behavior will be strictly enforced. **Students who have not reached high school are not permitted to attend OAHS sponsored dances. Individuals who are 21 years of age or older are not permitted to OAHS sponsored dances.** Dances are considered CLOSED to out-of-school persons and require that a guest permission form be completed and approved by administration before a guest may attend.

Dances will be scheduled from 7:00 p.m. to 10:00 p.m. and **no one will be admitted after 8:00 p.m.** Students will be permitted to leave 30 minutes before the scheduled ending time of the dance. Once students leave, they will not be allowed to return or remain on school property.

Junior/Senior formals will follow all guidelines with the exception of extended hours. Students will be permitted to leave one hour before the scheduled ending time of the dance.

Guest permission forms may be secured from the office the week prior to the event. The form must be completed and returned to the main office by the designated date. After screening by administration, the forms will be returned to the student making the request. Guests must be accompanied at all times by the Oxford Area High School student requesting permission for the guest to attend. Guests may be required to provide identification and/or proof of age. Adult chaperones or advisors may deny admittance or request the removal of anyone not in compliance with established policies/dress code.

### **Class Officer Elections**

Class officers are students who are elected by their peers to serve their classes. Each class elects a president, vice-president, secretary, treasurer, and a historian to serve a one-year term. Incoming freshman class elections will be held during the first marking period. All other classes will hold elections during the fourth marking period. To be a candidate for office, a student must complete a nominating petition with thirty (30) signatures from his/her class and five faculty members. Class advisors will oversee the elections and a simple majority of votes will determine the winners. Every officer is held to a higher standard; therefore, as a representative of his/her class, an officer who receives discipline action may be removed from office.

### **Class Officer Eligibility**

1. All elected Student Officers shall be members of the class in which they serve.
2. All elected Student Officers shall participate in the planning and attend all fundraisers and events as planned by their class.
3. All elected Student Officers cannot have two or more failures at any given time while serving office.
4. All elected Student Officers must attend all meetings during their elected year of service.
5. Any elected Student Officer who no longer complies with any one of the Eligibility rules and/or commits an act in violation of the Oxford Area High School Conduct Code is subject to removal from office without replacement by judgment of Advisor and Building Principal.
6. If a student is removed from office they must abstain from elections for one year.

### **Student Council**

Student Council is an organization whose main purpose is to be of service to the students and to the school. Each year the council raises money through various activities. The council either donates money to the school or purchases supplies/equipment for the school. The council members will sponsor spirit week and act as a liaison between the administration and the students. Students who serve on Student Council may also be elected to a class office.

### **National Honor Society**

The National Honor Society is sponsored by the National Association of Secondary School Principals and was first organized in 1921. Membership in the National Honor Society has become recognized nationally as one of the highest honors that can be bestowed upon a high school student.

National Honor Society recognizes students for scholarship, leadership, service and character. Membership is by invitation to Juniors and Seniors who have at least a 3.5 cumulative GPA and are recommended by the NHS faculty council. Invitations are mailed in September to all students who have at least a 3.5 cumulative GPA at the end of their sophomore or junior years to submit further material supporting membership, which can be found at [oxfordnhs.wikispaces.com](http://oxfordnhs.wikispaces.com). The supporting material must provide evidence that the student is actively involved in school and community activities and demonstrates leadership. All decisions of the faculty council are final and not subject to appeal.

National Honor Society meets together at least once per month (more if necessary); other communication is facilitated through email, social media, and the Oxford NHS website ([oxfordnhs.wikispaces.com](http://oxfordnhs.wikispaces.com)). Members are required to perform a minimum of 15 hours of service each semester; at least 5 hours of which must be for community service and at least 5 hours of which must be for school service. Members are expected to attend all meetings, maintain their cumulative weighted GPA of 3.5 or above and uphold the standards of scholarship, leadership, service, and character.

### **Clubs and Organizations**

Students wishing to form a new club or organization should submit a written request through administration. The request should include the name of the organization, the purpose of the organization, potential activities, proposed members and any other information directly related to the proposed organization. The student council shall be responsible for considering the merits of the proposal and making a recommendation to the school administration. The school administration shall be responsible for reviewing the proposal and recommendation, considering expenses, staffing and space availability. The school administration shall provide a written response. Participation in a club or organization is dependent upon academic/behavioral performance per the discretion of the advisor.

## **ATHLETICS**

Oxford Area High School is a member of the Pennsylvania Interscholastic Athletic Association (PIAA) and the Ches-Mont Athletic League. We embrace all of their beliefs and values related to our high school athletic programs.

An appropriate high school athletic program helps to build citizenship, responsibility, cooperation and skills in leadership. By promoting interscholastic athletic programs that foster an environment rich in opportunity, these goals can be reached, and a pattern encouraging life-long fitness can be established. It is extremely important for the coaches to maintain a positive climate while providing appropriate adult leadership and support to student/athletes. Coaches should take pride in providing an enjoyable, vigorous, safe athletic program.

A participation fee of **\$75** for each sport or season of participation is required prior to the first competition. No refunds will be given after the first competition.

### **Athletics Handbook**

All OAHS athletes should receive an athletics handbook at the start of the season. The handbook details athlete and coach responsibilities and expectations. The handbook contains more detail than what is included in these pages. Anyone wishing to review a copy of the athletics handbook should contact the athletic director or visit the school website.

### **Athletic Eligibility**

In compliance with Article IX of the PIAA bylaws, students must carry a minimum of four credits in order to participate in our interscholastic sports program. Students who earn two failing grades during the week will be ineligible to participate in such contests the following week. Any student earning two failing grades at the end of a grading period or as final grades at the end of the school year will be ineligible to participate for 15 school days following the issuance of the report card. Attendance also affects a student's eligibility. Any student who is absent from school for more than 20 school days a semester must be in attendance for 60 days following the 20<sup>th</sup> day of absence before he/she may participate in interscholastic contests. Individual coaches will establish rules concerning practice during the period of ineligibility and conditions upon which an athlete may or may not return after the period of ineligibility. Students must be in attendance by 10:50 A.M. on any given day in order to participate in athletic contests and practices the same day.

### **Regulations for Spectator Decorum**

1. PIAA rules prohibit the use of banners and noisemakers.
2. CHESMONT and OAHS passes will not be honored after the doors have been closed due to a sell-out.
3. Ticket sales stop immediately after half time of the varsity game.
4. Anyone leaving the building may not return.
5. Food may be purchased at half time and between games only.
6. The purchase of a ticket is not a license to act disrespectfully to players, officials or other spectators. Violators may be dismissed from the area of competition for the contest during which the violation occurs and for future activities.

### **Sports Physicals**

Students may not practice or participate in any scrimmages or contests until they have on file with the school a complete physical as described below. The Pennsylvania Interscholastic Athletic Association (PIAA) requires one (1) complete physical examination performed by a doctor, nurse practitioner, or physician's assistant before his/her sports season's first day of practice.

Physical exams for fall sports shall be done AFTER June 1st. Specific rules and information are available at [www.piaa.org](http://www.piaa.org).

Oxford Area School District no longer provides a complete physical examination. It is the STUDENT'S responsibility to have the completed physical and submit the paperwork signed by a parent and returned to the school nurse PRIOR to the date of participation. A student may receive a re-certification physical by the school district in order to give him/her the opportunity to participate in more than one sport season without having the full cost of multiple physicals.

## ATTENDANCE

### Policy 5150 Excuses for Absence

- A. It shall be the duty of each school principal to vigorously enforce and strictly interpret the compulsory attendance laws as stated in the Pennsylvania School Code.
- B. Every day of student absence shall be explained by a written note from the student's parent or guardian. Principals have the authority to require a written excuse from a physician in such cases, as they deem necessary.
- C. Failure to produce a required excuse within three (3) school days from the student's return to school shall cause an absence to be considered "illegal."
- D. If a student is denied school furnished transportation for disciplinary reasons, the compulsory attendance laws still apply and students who are absent because transportation is not furnished shall be considered illegally absent.
- E. In order to obtain academic credit for a high school course, a student may not be absent more than twenty (20) days in a semester course or thirty-five (35) days in a two-semester course. When extenuating circumstances cause a student to miss excessive days of school, the parent may request a waiver to this rule. The written request must outline compelling reasons for a waiver to be granted. The Administration, in coordination with the teacher, will review individual cases to determine if there are circumstances that merit waivers to be granted.
- G. Attendance need not always be within the school facilities, but a student will be considered to be in attendance if present at any place where school is in session by authority of the Board, or the place where the student is receiving approved tutorial instruction or health care, or at a place where the student is engaged in an approved and properly supervised work-student or career education program or at home when the student is receiving approved homebound instruction.
- H. Tardy shall be defined as not being present for less than one-third (1/3) of the instructional time. Absent shall be defined as not being present for more than one-third (1/3) of the instructional time.
- I. An appeal process shall be established for those students who have excessive absences due to extenuating circumstances.
- J. Students in their senior year who are in good standing academically, have excellent attendance, and have no discipline referrals may be granted permission to arrive late or leave early from school. This would only apply if they have a first or last period study hall.
- K. The Superintendent or designee shall develop procedures for the implementation of this policy. These procedures shall be made part of the building handbooks.

### Guidelines

Students are expected to be in school unless excused for a lawful absence. After absences, it is the student's responsibility to complete all missed work. Students who will be absent should get their assignments from PARENT PORTAL or email their students teachers.

**Students must be in school by 10:50 a.m. to participate in school activities. Failure to comply may result in suspension from future activities.**

#### **Steps to follow upon a return from an absence or when arriving tardy:**

- The student must give written excuses that have been signed by a parent or legal guardian, stating the date, the number of days absent, reason for absence, and a phone number to verify the note to their homeroom teacher. **After 10 days of absence or tardy to school, a doctor's note is required to excuse the occurrence.**
- If a student returns to school after homeroom, he/she should report to the Main Office in order to present his/her excuse.
- Students who fail to bring an excused note within three days will be considered unexcused for the day of absence.

All excused (lawful) absences from school for temporary periods can be classified under the following reasons:

- Bona fide religious holiday
- Tutorial work in a field not offered in the district's curricula
- To obtain non-school professional health care
- Illness or other urgent reasons, such as funerals, impassable roads, quarantine. The term, "urgent reason" shall be strictly construed and shall not permit irregular attendance.
- Educational activity (See also policy 5160)
- Graduation preparations of not more than three days.
- Work Study Programs

Students receiving homebound instruction are counted as present.

If a student fails to attend school and his/her absence is determined to be unexcused (unlawful), the following procedure will be followed:

#### **Compulsory School Age Students—students below 17 years of age:**

After one day of unlawful absence or its equivalent, parent will be notified in writing of the absence.

After a second day of unlawful absence or its equivalent, parent will be notified in writing and a Truancy Elimination Plan (TEP) conference will be requested.

After a third day of unlawful absence or its equivalent, parent will be served with a written notice by certified mail in accordance with Section 1333 of the Public School Code. (First notice)

After the first unlawful absence after the first notice, parent will be served a warrant, in compliance with School Code, Section 1333, through the district justice, for violation of school attendance law.

#### **Noncompulsory School Age Students—17 years of age or older:**

After one day of unlawful absence, parent will be notified in writing. After a second day of unlawful absence, parent will be notified in writing.

After a third day, a parent conference will be requested. Unexcused absence beyond three days may be considered reason for withdrawal from school. Further attendance in school will require a decision from the principal, and may require approval of the Superintendent and/or the Board of School Directors. Students shall be permitted to make up work missed when absent from school if the absence is excused. It is the responsibility of the student to see that missed work is made up.

#### **20/35 Day Rule Procedures**

When a student reaches twenty (20) days absent in a semester course or thirty-five (35) days absent in a full-year course, a letter will be generated and parents will be notified. Any time a student misses a class; it counts as an absence toward the 20/35-day total. If a student is not in a class, the teacher should count the student absent. Each teacher must keep daily class attendance. Parents should monitor attendance using the Parent Portal system and contact the attendance secretary if there are questions. This system has several checks and balances, which will ensure that all students are receiving letters in a timely manner.

There is an appeal process available to parents and students. The administration, in coordination with the teacher, will review individual cases to determine if there are circumstances that merit waivers to be extended. All teachers must follow this procedure and allow the appeal process to be the student's or the parent's remedy for cases that are worthy. If the teacher feels that the student should not fail, the teacher has the opportunity to influence the principal's decision.

### Early Dismissal

*Parents/guardians must show photo identification and physically come into the building to sign students out for an early dismissal.*

Students requiring early dismissal from school should present a note to the attendance secretary that is signed by a parent or legal guardian and indicates the date and time to be dismissed, a phone number to verify the note, and the reason for the early dismissal. Students must be signed out in the main office by a parent or guardian. If returning to school before the end of the day, the student must “sign in” in the main office. The administration reserves the right to check the legitimacy of early dismissal notes or to deny early dismissal for reasons not considered consistent with general district guidelines on attendance and absence from school. Hairdressing appointments, tanning treatments, car inspections, fishing trips, etc., are not acceptable reasons for early dismissal. Students may be required to submit a doctor’s/dentist’s note upon returning from those appointments

### Late to School

- Students not in their first class by 7:39 a.m. will be considered tardy to school.
- Students will report to the main office when arriving after homeroom.
- Accommodations will be made for students arriving on late buses.
- **Students reporting to school after 10:50 a.m. will receive a whole day illegal/unexcused absence.**
- **Examples of Excused Lateness:** Illness, medical or dental appointment, death of family member or friend of the family, counseling and/or court appointments.
- **Examples of Unexcused Lateness:** Missed the bus, overslept, car trouble, ride came late, etc.

### Late to Class

- Tardiness is a disruption to the educational process.
- Teachers are to be aware of students arriving late to class and determine the reason for tardiness.
- If the teacher determines that the tardiness is unexcused, they will follow the responses described in the Code of Conduct under Level I – Lateness to Class.
- If a student is unexcused tardy to class for more than 1/3 instructional time, the student will be marked with an unexcused absence from the class, which should be referred to the administration for truancy.

### Leaving School Grounds

Once on school property, a student may not leave without parental and administrative approval. Parental requests shall be written, unless approved by an administrator. No student may leave the campus during the hours between his/her arrival and his/her approved departure time except by administrative approval. **No students are permitted to visit their automobile without permission from the school administration.**

### Make-up Work

- Students are allowed to make up any work missed due to excused absence.
- Students should contact their teachers to get missed assignments.
- Students who are illegally absent or tardy will not be allowed to make up assignments for credit.
- **Students will have the same amount of time as they were absent to submit missed work.**
- In instances where a student is absent for a long-term illness, a doctor’s note is required. In such cases students may be eligible for homebound instruction. Parents or guardians should check with the guidance office for information about homebound instruction.

### **Vacation/Trips**

Students planning to miss school due to a vacation or trip must obtain prior administrative approval. A form for such absences must be obtained in the main office. The completed form must be returned to the office 5 school days prior to the absence. The student must carry the approved form to his/her teachers to request assignments. The student must make proper prior arrangements to avoid unexcused absences. A student who is absent more than 10 consecutive days must be withdrawn from school by a parent/guardian in the guidance office. The student may enroll upon return.

### **Policy 5160 - EXCUSED ABSENCES**

It shall be the policy of the Oxford Area School District that principals may honor the advance written request from a parent or guardian to have their child participate in an activity of an educational nature during school hours. Students given permission to participate will be considered as having an excused absence.

Approval of such absences for education purposes shall be guided by the following:

- A. A sum total of five (5) days during any given school year will be allowed for a family educational trip (s), with pre-approval from the building principal.
- B. The purpose, itinerary, and supportive educational aspects must be clearly explained for justifying such an experience beyond the classroom. Failure to provide an explanation of the educational value of the trip will result in the request being denied.
- C. Written requests for such absences must be submitted one week in advance of the requested days of absence.
- D. All assignments and work missed must be made up at the discretion of the teacher. The student is responsible for securing the assignments and work to be made up from the teacher.

### **School Trips**

Students attending school-sponsored activities where transportation is provided are required to use school-provided transportation to and from the activity. Special circumstances will be considered prior to activity on an individual basis.

## CHAPTER 12 REGULATIONS

### Introduction

Self-discipline is the ideal. In the event that the student does not follow that ideal, the Oxford Area School Board has the authority to make reasonable and necessary rules governing the conduct of students in school, as provided by section 1317 of the School Code of the Commonwealth of Pennsylvania: Authority of Teachers, Vice Principals and Principals over Pupils.

- Faculty and administration should know and respect student rights.
- Students should respect the rights of faculty and administration.
- Students must obtain permission for activities and/or requests not covered specifically in the handbook.
- Students involved in school activities with faculty supervision shall have access to the building until 3:00 p.m. when school is in session.
- Students have a right to confidentiality concerning their personal, social and emotional development.
- A student may be elected by the student body as a non-voting member of the school board.
- **Chapter 12** includes information about student responsibilities, school rules, discrimination, corporal punishment, suspension and expulsion, hearings, freedom of expression, the Pledge of Allegiance, hair and dress, confidential communications, searches, and student records.
- The Oxford Area School Board adopts Chapter 12: Student Rights and Responsibilities Regulations of the State Board of Education of Pennsylvania approved September 13, 1974; Section 12.31 and 12.32 approved July 14, 1974 and amended July 15, 1977; Chapter amended March 10, 1983 – effective February 18, 1984.

### § 12.1. Free education and attendance.

(a) All persons residing in this Commonwealth between the ages of 6 and 21 years are entitled to a free and full education in the commonwealth's public schools.

(b) Parents or guardians of all children between the ages of 8 and 17 are required by the compulsory attendance law to ensure that their children attend an approved educational institution, unless legally excused.

Students who have not graduated may not be asked to leave school merely because they have reached 17 years of age if they are fulfilling their responsibilities as students. A student may not be excluded from the public schools or from extracurricular activities because:

- (1) The student is married.
- (2) The student is pregnant.
- (3) The student has a disability as identified by Chapter 15 (relating to protected handicapped students).
- (4) The student is an eligible student identified under Chapter 14 (relating to special education services and programs).

### § 12.2. Student responsibilities.

(a) Student responsibilities include regular school attendance, conscientious effort in classroom work and homework, and conformance to school rules and regulations. Most of all, students are responsible to share with the administration and faculty a responsibility to develop a climate within the school that is conducive to wholesome learning and living.

(b) No student has the right to interfere with the education of fellow students. It is the responsibility of each student to respect the rights of teachers, students, administrators and all others who are involved in the educational process.

(c) Students should express their ideas and opinions in a respectful manner.

(d) It is the responsibility of the students to conform to the following:

- (1) Be aware of all rules and regulations for student behavior and conduct themselves in accordance with them. Students should assume that, until a rule is waived, altered or repealed in writing, it is in effect.
- (2) Volunteer information in matters relating to the health, safety and welfare of the school community and the protection of school property.

- (3) Dress and groom to meet standards of safety and health, and not to cause substantial disruption to the educational processes.
- (4) Assist the school staff in operating a safe school for the students enrolled therein.
- (5) Comply with Commonwealth and local laws.
- (6) Exercise proper care when using public facilities and equipment.
- (7) Attend school daily and be on time at all classes and other school functions.
- (8) Make up work when absent from school.
- (9) Pursue and attempt to complete satisfactorily the courses of study prescribed by local school authorities.
- (10) Report accurately in student media.
- (11) Not use obscene language in student media or on school premises.

### **§ 12.3. School rules.**

(a) The governing board has the authority to make reasonable and necessary rules governing the conduct of students in school. The rulemaking power, however, is not unlimited; it must operate within statutory and constitutional restraints. A governing board has only those powers that are enumerated in the statutes of the Commonwealth, or that may reasonably be implied or necessary for the orderly operation of the school.

(b) Governing boards may not make rules that are arbitrary, capricious, discriminatory or outside their grant of authority from the General Assembly. A rule is generally considered reasonable if it uses a rational means of accomplishing some legitimate school purpose.

(c) Each governing board shall adopt a code of student conduct that includes policies governing student discipline and a listing of students' rights and responsibilities as outlined in this chapter.

This conduct code shall be published and distributed to students and parents or guardians. Copies of the code shall also be available in each school library.

### **§ 12.4. Discrimination.**

Consistent with the Pennsylvania Human Relations Act (43 P. S. §§ 951—963), a student may not be denied access to a free and full public education, nor may a student be subject to disciplinary action on account of race, sex, color, religion, sexual orientation, national origin or disability.

### **§ 12.5. Corporal punishment.**

(a) Corporal punishment is defined as physically punishing a student for an infraction of the discipline policy. Use of corporal punishment is prohibited.

(b) Teachers and school authorities may use reasonable force under the following circumstances:

- (1) To quell a disturbance.
- (2) To obtain possession of weapons or other dangerous objects.
- (3) For the purpose of self-defense.
- (4) For the protection of persons or property.

### **§ 12.6. Exclusions from school.**

(a) The governing board shall define and publish the types of offenses that would lead to exclusion from school. Exclusions affecting certain students with disabilities shall be governed by § 14.143 (relating to disciplinary placements) and 34 CFR 300.519—300.529 (relating to discipline procedures).

(b) Exclusion from school may take the form of suspension or expulsion.

- (1) Suspension is exclusion from school for a period of from 1 to 10 consecutive school days.
  - (i) Suspensions may be given by the principal or person in charge of the public school.

(ii) A student may not be suspended until the student has been informed of the reasons for the suspension and given an opportunity to respond. Prior notice of the intended suspension need not be given when it is clear that the health, safety or welfare of the school community is threatened.

(iii) The parents or guardians and the superintendent of the district shall be notified immediately in writing when the student is suspended.

(iv) When the suspension exceeds 3 school days, the student and parent shall be given the opportunity for an informal hearing consistent with the requirements in § 12.8(c) (relating to hearings).

(v) Suspensions may not be made to run consecutively beyond the 10 school day period.

(vi) Students shall have the responsibility to make up exams and work missed while being disciplined by suspension and shall be permitted to complete these assignments within guidelines established by the governing board.

(2) Expulsion is exclusion from school by the governing board for a period exceeding 10 school days and may be permanent expulsion from the school rolls. Expulsions require a prior formal hearing under § 12.8.

(c) During the period prior to the hearing and decision of the governing board in an expulsion case, the student shall be placed in his normal class except as set forth in subsection.

(d) If it is determined after an informal hearing that a student's presence in his normal class would constitute a threat to the health, safety or welfare of others and it is not possible to hold a formal hearing within the period of a suspension, the student may be excluded from school for more than 10 school days. A student may not be excluded from school for longer than 15 school days without a formal hearing unless mutually agreed upon by both parties. Any student so excluded shall be provided with alternative education, which may include home study.

(e) Students who are under 17 years of age are still subject to the compulsory school attendance law even though expelled and shall be provided an education.

(1) The initial responsibility for providing the required education rests with the student's parents or guardian, through placement in another school, tutorial or correspondence study, or another educational program approved by the district's superintendent.

(2) Within 30 days of action by the governing board, the parents or guardians shall submit to the school district written evidence that the required education is being provided as described in paragraph (1) or that they are unable to do so. If the parents or guardians are unable to provide the required education, the school entity shall, within 10 days of receipt of the notification, make provision for the student's education. A student with a disability shall be provided educational services as required by the Individuals With Disabilities Education Act (20 U.S.C.A. §§ 1400—1482).

(3) If the approved educational program is not complied with, the school entity may take action in accordance with 42 Pa.C.S. Chapter 63 (relating to the Juvenile Act) to ensure that the child will receive a proper education. See § 12.1(b) (relating to free education and attendance).

#### **§ 12.7. Exclusion from classes—in-school suspension.**

(a) A student may not receive an in-school suspension unless the student has been informed of the reasons for the suspension and has been given an opportunity to respond before the suspension becomes effective.

(b) Communication to the parents or guardian shall follow the suspension action taken by the school.

(c) When the in-school suspension exceeds 10 consecutive school days, an informal hearing with the principal shall be offered to the student and the student's parent or guardian prior to the 11th school day in accordance with the procedures in § 12.8 (relating to hearings).

(d) The student's school entity has the responsibility to make provision for the student's education during the period of the in-school suspension.

#### **§ 12.8. Hearings.**

(a) *General.* Education is a statutory right, and students shall be afforded due process if they are to be excluded from school. In a case involving a possible expulsion, the student is entitled to a formal hearing.

(b) *Formal hearings.* A formal hearing is required in all expulsion actions. This hearing may be held before the governing board or an authorized committee of the board, or a qualified hearing examiner appointed by the board. When a committee of the board or a hearing examiner conducts the hearing, a majority vote of the entire governing board is required to expel a student. The following due process requirements shall be observed with regard to the formal hearing:

- (1) Notification of the charges shall be sent to the student's parents or guardians by certified mail.
- (2) At least 3 days' notice of the time and place of the hearing shall be given. - (6) The student has the right to request that the witnesses appear in person and answer questions or be cross-examined.
- (7) The student has the right to testify and present witnesses on his own behalf.
- (8) A written or audio record shall be kept of the hearing. The student is entitled, at the student's expense, to a copy. A copy shall be provided at no cost to a student who is indigent.
- (9) The proceeding shall be held within 15 school days of the notification of charges, unless mutually agreed to by both parties. A hearing may be delayed for any of the following reasons, in which case the hearing shall be held as soon as reasonably possible:
  - (i) Laboratory reports are needed from law enforcement agencies.
  - (ii) Evaluations or other court or administrative proceedings are pending due to a student invoking his rights under the Individuals With Disabilities Education Act (20 U.S.C.A. §§ 1400—1482).
  - (iii) In cases in juvenile or criminal court involving sexual assault or serious bodily injury, delay is necessary due to the condition or best interests of the victim.
- (10) Notice of a right to appeal the results of the hearing shall be provided to the student with the expulsion decision.

(c) *Informal hearings.* The purpose of the informal hearing is to enable the student to meet with the appropriate school official to explain the circumstances surrounding the event for which the student is being suspended or to show why the student should not be suspended.

- (1) The informal hearing is held to bring forth all relevant information regarding the event for which the student may be suspended and for students, their parents or guardians and school officials to discuss ways by which future offenses might be avoided.
- (2) The following due process requirements shall be observed in regard to the informal hearing:
  - (i) Notification of the reasons or the suspension shall be given in writing to the parents or guardians and to the student.
  - (ii) Sufficient notice of the time and place of the informal hearing shall be given.
  - (iii) A student has the right to question any witnesses present at the hearing.
  - (iv) A student has the right to speak and produce witnesses on his own behalf.
  - (v) The school entity shall offer to hold the informal hearing within the first 5 days of the suspension.

**§ 12.9. Freedom of expression.**

(a) The right of public school students to freedom of speech is guaranteed by the Constitution of the United States and the Constitution of the Commonwealth.

(b) Students shall have the right to express themselves unless the expression materially and substantially interferes with the educational process, threatens serious harm to the school or community, encourages unlawful activity or interferes with another individual's rights.

(c) Students may use publications, handbills, announcements, assemblies, group meetings, buttons, armbands and any other means of common communication, provided that the use of public school communications facilities shall be in accordance with the regulations of the authority in charge of those facilities.

If the prescribed time for approval elapses without a decision, the material shall be considered authorized for distribution.

(5) Students who are not members of the newspaper staff shall have access to its pages. Written criteria for submission of material by non-staff members shall be developed and distributed to all students.

(h) The wearing of buttons, badges or armbands shall be permitted as another form of expression within the restrictions listed in subsection).

(i) School officials may set forth the time and place of distribution of materials so that distribution would not materially or substantially interfere with the requirements of appropriate discipline in the operation of the school.

(1) A proper time and place set for distribution is one that would give the students the opportunity to reach fellow students.

(2) The place of the activity may be restricted to permit the normal flow of traffic within the school and at exterior doors.

**§ 12.10. Flag Salute and the Pledge of Allegiance.**

It is the responsibility of every citizen to show proper respect for his country and its flag.

When length or style of the hair presents a health or safety hazard, some types of covering shall be used.

(c) Students may be required to wear certain types of clothing while participating in physical education classes, shops, extracurricular activities or other situations when special attire may be required to insure the health or safety of the student.

(d) Students have the responsibility to keep themselves, their clothes and their hair clean. School officials may impose limitations on student participation in the regular instructional program when there is evidence that the lack of cleanliness constitutes a health hazard.

**§ 12.12. Confidential communications.**

(a) Use of a student's confidential communications to school personnel in legal proceedings is governed by statutes and regulations appropriate to the proceeding. See, for example, 42 Pa.C.S. § 5945 (relating to confidential communications to school personnel).

(b) Information received in confidence from a student may be revealed to the student's parents or guardians, the principal or other appropriate authority when the health, welfare or safety of the student or other persons is clearly in jeopardy.

**§ 12.14. Searches.**

(b) Illegal or prohibited materials seized during a student search may be used as evidence against the student in a school disciplinary proceeding.

(c) Prior to a locker search, students shall be notified and given an opportunity to be present. When school authorities have a reasonable suspicion that the locker contains materials that pose a threat to the health, welfare or safety of students in the school, student lockers may be searched without prior warning.

If the grievance is not resolved at this level, it can be appealed to the Principal then to the Superintendent and finally the Board of School Directors.

# **CODE OF CONDUCT**

## **Introduction**

School rules come from many sources, including State Law, Board of Education Policy, and District Guidelines and Regulations. The aim of this chapter is to provide personnel, parents, students, and other members of the community with a clear understanding of violations of those rules and the resulting disciplinary actions. The following pages list, categorize and define certain violations that disrupt the school environment and the instructional process, and specify disciplinary actions that may be taken by the school administrator. A major consideration of the Student Code of Conduct is to identify appropriate disciplinary actions to bring about positive student behavior. The severity and frequency of the misbehavior are considered in defining appropriate disciplinary action. While administrative personnel bear the major responsibility for effectively carrying out the discipline policies, the entire staff plays a vital role in resolving problems influencing student behavior. The principal or designee shall conduct such an investigation as is reasonable under the circumstances to confirm that the charged offense has, in fact, been committed.

## **When is the Code in Force?**

The code is in force:

- On school property prior to, during, and following regular school hours when school is in session or when school activities are in operation.
- While students are on the school bus for any purpose.
- At all school-sponsored events and other activities where school administrators or other school personnel have jurisdiction over students.
- While students are traveling to or from school and their behavior has a harmful effect on the other students or on the orderly educational process.

That portion of the Code that protects school buildings and grounds is always in force.

## PARENTS' GUIDE TO THE STUDENT CODE OF CONDUCT

Oxford Area High School is committed to ensuring that all students are learning in a safe and nurturing environment. To this end, policies are enforced in a fair and consistent manner. We have developed a Student Code of Conduct to serve as a disciplinary framework and support all behavioral and discipline policies, as well as Chapter 12 and other applicable state laws and policies.

All students are expected to be aware of and abide by this Student Code of Conduct. Parents are asked to read this Student Code of Conduct carefully and discuss the information with their children. It takes all of us—school staff, parents, and students—working together, to create and maintain a safe and nurturing environment that is conducive to learning for all children.

Disciplinary action may also be taken for off-campus incidents if the action disrupts educational or administrative activity on the campus.

Loss of credit for assignment or course may be appropriate in addition to any of the consequences below.

Restitution for loss or damage may be requested in addition to any of the consequences below.

Where appropriate, law enforcement officials will be involved.

**Response to behaviors:** The professional staff at a school has the responsibility for taking appropriate actions when a student is involved in a situation which disrupts the learning environment of a school. When determining the consequences, they take the following into consideration:

- 5) If the student has an Individualized Education Plan or a 504 Plan.

Any student who feels that he or she has been subjected to an incident of sexual harassment should report the incident immediately to the school administration or any other individual who can initiate an investigation.

More detailed information about policy 5500 concerning sexual harassment of students is available through the principal's office or at the Administration Building, Oxford Area School District Title IX Coordinator, Mr. Charles Lewis, 119 South Fifth Street, Oxford, PA 19363, 610-932-6600.

#### **Smoking - Policy 5420**

Students are not permitted to smoke or have in their possession tobacco or smoking paraphernalia such as matches, lighters, etc., at any time on school property. Possession of tobacco, tobacco products or paraphernalia will be considered as a violation of the smoking policy. School district policy and Pennsylvania law prohibit smoking on school property. Students found to be in violation of this offense will be referred to the District Court in addition to other consequences.

### **Weapons - Policy 5480**

It shall be the policy of the Oxford Area School District that no weapon shall be found on the person of a student, under a student's control, on school property or at any school activity either held on school property or held away from school property. For purposes of this policy the definition of a weapon shall include, but not limited to, any knife, cutting instrument, cutting tool, nunchaku, firearm, shotgun, rifle, and any other tool, instrument or implement capable of inflicting serious bodily. The term "weapon" shall also include items, which are replicas or look-alike weapons by virtue of appearance or the manner in which displayed would cause reasonable apprehension or a threat to a safe school environment. No student shall interfere with the normal conduct of activities on school premises by exhibiting, using or threatening the use of any weapon or dangerous instrument, or any item resembling a weapon or dangerous instrument. Any student violating this policy shall be subject to disciplinary action up to and including expulsion from school.

When appropriate, criminal charges will be filed with the police in cases where the possession and/or concealment of a dangerous weapon is consistent with the prohibitions as defined in civil law.

Unless otherwise stipulated, expulsion from school for violation of this policy shall be for a period of time not less than one (1) year. In those cases where the violation of this policy involves a student with a defined disability, enforcement of this policy shall be consistent with all applicable state and federal laws, regulations or guidelines. The Superintendent of Schools shall establish procedures and guidelines for the implementation and enforcement of this policy. These procedures and guidelines shall include provisions for implementation, which take into consideration the age and grade level of the student, and those cases of violations of this policy involving students with disabilities. The Superintendent shall be allowed to modify any disciplinary requirement, including expulsion, for violation of this policy by a student, on a case-by-case basis in those instances where the possession of a weapon in school requires expulsion from school for a period of time consistent with state or federal law.

**\*Enforcement of the above list will be at the discretion of faculty and administrative staff.**

### **Drug and Alcohol - Policy 5430**

This policy including its rules, regulations, and guidelines is a coordinated effort by the Oxford Area School District to openly and effectively respond to the potential and actual uses and abuses of drugs, alcohol, and mood-altering substances by members of its entire student population.

Through the use of a revised curriculum, classroom activities, community support and resources, a strong and consistent administrative and faculty effort, and rehabilitative and disciplinary procedures, the Oxford Area School District will work to educate, prevent and intervene in the use and abuse of all drugs, alcohol and mood altering substances by the entire student population. As an extension of this policy, the following rules, regulations and guidelines shall be used by all school district personnel when responding to a student's unlawful use, abuse, sale, distribution, and/or possession of drugs, alcohol, any mood-altering substances, or paraphernalia associated with the use of drugs, alcohol, and mood altering substances.

Please reference OASD Policy 5430 for the complete policy at:

### **Video Surveillance - Policy 5475**

A. The Board recognizes the district's responsibility to maintain order and discipline on school property. Recorded images may be used with the disposition of disciplinary actions, including legal proceedings. The Board also desires to afford students and staff privacy in respect to the records maintained by the district. Therefore, video surveillance will be used as a security measure.

B. Balancing the right of privacy of students and staff against the district's duty to maintain order and discipline, the Board deems it appropriate to provide for the use of video camera surveillance on school grounds and in school buildings.

The following guidelines will govern the use of video cameras for surveillance:

1. The district shall notify students, parents and staff that video surveillance may occur on any school property. The district shall post appropriate signs and incorporate notice in the student handbook.
2. The use of video recordings from surveillance equipment shall be subject to other Board policies, including policies concerning the confidentiality of student and staff records.

C. Video surveillance shall only be used to promote order, safety and security of students, staff and property. Video footage may and will be used to substantiate violations of the district discipline policy. Parents shall not have the right to view footage unless the disciplinary action results in court/legal proceedings. All recorded footage is the property of the Oxford Area School District.

## **BUS REGULATIONS**

"The Oxford School District has authorized the use of video/audio cameras on school buses. These cameras can record both what is said and done on buses. The video/audio cameras will be used to monitor student behavior to maintain order on the school buses to promote and maintain a safe environment. Students and parents are hereby notified that the content of the tapes may be used in a student disciplinary proceeding. The contents of the tapes are confidential student records and will be safeguarded. Tapes will be retained only if necessary for use in a student disciplinary proceeding or other matter as determined necessary by the administration. Parents may request to review the tapes of their child if the tapes are used in a disciplinary proceeding involving their child."

**Students are not permitted to walk to or from the High School if school-provided transportation is available. Students are under the jurisdiction of the school from the time they depart from home until they arrive home at the end of the school day. All rules and regulations that apply in school also apply on school buses. The bus driver is in charge and has the right and duty to enforce all rules.**

Students violating rules will be reported to the administration, who will take appropriate action. Violations may result in a student being denied the use of the school buses. Students will be discharged from their school bus at their regular school bus stop unless prior arrangements are made with school administration. Parents wishing to arrange for a different bus or bus stop should request the change in writing prior to the start day of the change. No adult will be allowed to remove a student from a school bus without prior arrangement with the administration.

If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
